and obsolete; and

(c) what steps Government propose to take to provide modern facilities to the burn victims in the country?

THE MINISTER OF HEALTH AND FAMILY WELFARE (PROF. SHAKEELUR REHMAN): (a) Exact figures for the whole country are not available. The informaion as available is given in the statement (*See* Appendix CLVI, Annexure No. 31)

(b) and (c) Health being a State Subject, it is for the States to augment medical facilities in different disciplines in the hospitals

In Delhi adequate facilities to cure serious burn victims are available in Safdadjang Hospital Delhi Administration is planning to open specialised burnward in Guru Tegh Bahadur Hospital to cater to the trans Jamuna Population and in Deen Dayal Upadhyay Hospital to meet the needs of such patients in West Delhi. The burn ward of Lok Nayak Jai Prakash Hospital is also being modernised and improved

U.K AID, Phase II Area Development Programme in Orissa

1240 SHRI KAHNU CHARAN LENKA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether 'U.K. AID, Phase-II' Area Development Programme in Orissa has started to strengthen primary health infrastructure and services; and

(b) if so, what are the details thereof, including the norms fixed therefor?

THE MINISTER OF HEALTH AND FAMILY WELFARE (PROF. SHAKEELUR REHMAN): (a) Yes, Sir.

(b) The Phase-II Area Development Programme in Orissa with the assistance of Overseas Development Agency (U.K.) is under implementation in five districts of the State w.ef 1-11-1989 for a period of five years at a total cost of Rs. 65.66 crores. The objective of the project is to bring about both qualitative and quantitative improvement in the health delivery system in the project districts. This is sought to be done by construction of sub-centres, primary health centres, ANMs training schools, staff quarters etc. and by undertaking training including refresher training of both medical and para-medical personnel. The five districts included Phase-II are Dhenkanal, Keonjhar, Mayurbhanj, Sambalpur and Sundergarh However, some cinsolidation activities in respect of five districts taken up under Phase-I will also continue. Training programmes under this project will cover medical and para-medical personnel in the entire State.

The norms followed under the Project for setting up different health service delivery institutions are as under —

(i) Sub Centres	1 per 5,000 population 1 per 3,000 population in tribal areas
(ii) Primary Health Centres	1 per 30,000 population 1 per 20,000 in tribal areas.
